Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Business (Wrong Livelihood)

Vaṇijjā Sutta (AN 5:177)

“Monks, a lay follower should not engage in five types of business. Which five? Business in weapons, business in living beings, business in meat, business in intoxicants, and business in poison.

“These are the five types of business a lay follower should not engage in.”
