How to cite this document (a suggested style): "Dhammassavana Sutta: Listening to the Dhamma" (AN 5.202), translated from the Pali by Thanissaro Bhikkhu. Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

"There are these five rewards in listening to the Dhamma. Which five?

"One hears what one has not heard before. One clarifies what one has heard before. One gets rid of doubt. One's views are made straight. One's mind grows serene.

"These are the five rewards in listening to the Dhamma."
