Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Fetters

Saṁyojana Sutta (AN 10:13)

“There are these ten fetters. Which ten? Five lower fetters & five higher fetters. And which are the five lower fetters? Self-identification views, uncertainty, grasping at habits & practices, sensual desire, & ill will. These are the five lower fetters. And which are the five higher fetters? Passion for form, passion for what is formless, conceit, restlessness, & ignorance. These are the five higher fetters. And these are the ten fetters.”
