Completeness: COMPLETE. All text of this pinned standalone English article, including header, verse/reference numbering, closing lines and footer, is preserved. Tha Ap 562–563 have no Walters articles in this edition; no whole-canon claim.

Text

Therāpadāna

The Legends of the Theras

371. {374.} Paṭṭipupphiya

Walt 3241 When the Sambuddha, the Great Sage,

Padumuttara passed away,

all the people came together;

they are carrying off his corpse. Verse 1

Walt 3242 When the corpse was being removed,

when the drums were being sounded,

happy, with pleasure in my heart,

I offered a red lodh flower. Verse 2

Walt 3243 In the hundred thousand aeons

since I did that flower-pūjā,

I’ve come to know no bad rebirth:

the fruit of worshipping relics. Verse 3

Walt 3244 Being in Best Buddha's presence

was a very good thing for me.

The three knowledges are attained;

I have done what the Buddha taught! Verse 4

Walt 3245 My defilements are now burnt up;

all new existence is destroyed.

Like elephants with broken chains,

I am living without constraint. Verse 5

Walt 3246 The four analytical modes,

and these eight deliverances,

six special knowledges mastered,

I have done what the Buddha taught! Verse 6

Thus indeed Venerable Paṭṭipupphiya Thera spoke these verses.

The legend of Paṭṭipupphiya Thera is finished.

Translated by Jonathan S. Walters.
