Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thag 1:119 Vajjiputta

Coming to the bower

at the root of a tree,

placing

unbinding

in your heart,

do jhāna, Gotama,

& don’t be heedless.

What use is this

chitter-chatter

to you?1

Note

1. In SN 9:5, a deva addresses this verse to Ven. Ānanda, who has been spending too much time teaching Dhamma to laypeople.
