Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thag 1:23 Gosāla

I—having eaten honey-rice

in a bamboo patch

and rightly grasping the aggregates’1

arising-disbanding—

will return to the hillside, intent

on seclusion.

Note

1. The aggregates of form, feeling, perception, fabrication, and consciousness. See SN 22:48, SN 22:59, and SN 22:79.
