Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thag 1:41 Sirivaḍḍha

Lightning lands on the cleft

between Vebhāra & Paṇḍava,1

but,

having gone to the cleft in the mountains,

he’s absorbed in jhāna2—the son

of the one without compare,

the one who is Such.3

Notes

1. Mountains near Rājagaha.

2. Meditative absorption, one of the four levels of intense concentration that constitute right concentration in the noble eightfold path.

3. Such (tādin): an epithet for an arahant, indicating that his/her attainment is indefinable and not subject to change.
