Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thag 2:37 Soṇa Poṭiriyaputta

It’s not for sleeping,

the night garlanded

with zodiac stars.

The night, for one who knows,

is for staying awake.

If I were to fall from my elephant’s shoulder,

and a tusker trampled me,

death in battle would be better for me,

than that I, defeated,

survive.
