Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thag 2:47 Anūpama

Coming into the conceit of delight, the mind

impales itself on a stake.

Wherever’s a stake, a chopping block,

there, only there, you turn.

You, mind, I call an unlucky die.

You, I call a mind-traitor.

You’ve gained a Teacher hard to gain.

Don’t urge me on to my loss.
