Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

Thig 2:4 Aḍḍhkāsī

All of the Kāsi countryside:

My fee was equal to that.

Having made that my price,

the town1 set me as priceless in price.

But then I became disenchanted with my body,

and—disenchanted—dispassionate:

“May I not run again & again

through birth & the wandering-on.”

The three knowledges

have been realized.

The Buddha’s bidding

done.

Note

1. Reading nigamo with the Thai edition. The Burmese and Sinhalese editions read negamo, “the townspeople.”
