How to cite this document (a suggested style): "Ahu Sutta: It Was" (Ud 6.3), translated from the Pali by Thanissaro Bhikkhu. Access to Insight (BCBS Edition), 3 September 2012, https://www.accesstoinsight.org/tipitaka/kn/ud/ud.6.03.than.html . Alternate format:

Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

I have heard that on one occasion the Blessed One was staying near Sāvatthī at Jeta's Grove, Anāthapiṇḍika's monastery. And on that occasion the Blessed One sat reflecting on the various evil, unskillful qualities that had been abandoned [in him] and on the various skillful qualities that had gone to the culmination of their development. Then as he realized the various evil, unskillful qualities that had been abandoned [in him] and the various skillful qualities that had gone to the culmination of their development, he on that occasion exclaimed:

Before, it was, then it wasn't. Before, it wasn't, then it was. It wasn't, won't be, & now isn't to be found.[1]

Note

1.

1. The last half of this verse also appears as the last half a verse attributed to Ven. Kaṇhadinna at Thag 2.30 (verse 180 in the PTS edition).
