Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Craving

Taṇhā Sutta (SN 1:63)

“By what is the world led?

By what is it dragged around?

What is the one thing

that has the all

under its sway?”

“By craving is the world led.

By craving is it dragged around.

Craving is the one thing

that has the all

under its sway.”
