2. In Private

With Several Mendicants (2nd)

Then several mendicants went up to the Buddha … The Buddha said to them:

“Mendicants, what is feeling? What’s the origin of feeling? What’s the cessation of feeling? What’s the practice that leads to the cessation of feeling? And what is feeling’s gratification, drawback, and escape?”

“Our teachings are rooted in the Buddha. …”

“Mendicants, there are these three feelings: pleasant, painful, and neutral. These are called feelings. …”

(Tell in full as in the previous discourse.)
