Changes: Presentation only: original HTML markup reflowed into plain text; wording, numbering and source repetitions retained. No repetitions expanded.

Completeness: ABBREVIATED. Every source-unit character is preserved, including introductions, notes and verse structure. Thanissaro's collection-level note explicitly states that repetitions were cut: https://www.dhammatalks.org/suttas/about.html. This is evidence about the translation method, not an assertion that every individual unit contains an omission; no repetitions reconstructed.

Text

I have heard that on one occasion the Blessed One was staying in Rajagaha in the Bamboo Grove, the Squirrels' Sanctuary. And on that occasion Ven. Maha Kassapa was staying in the Pepper Tree Cave, diseased, in pain, severely ill. Then the Blessed One, in the late afternoon, left his seclusion and went to where Ven. Maha Kassapa was staying. On arrival, he sat down on a prepared seat and said to Ven. Maha Kassapa, "I hope you are getting better, Kassapa. I hope you are comfortable. I hope that your pains are lessening and not increasing. I hope that there are signs of their lessening, and not of their increasing."

"I am not getting better, lord. I am not comfortable. My extreme pains are increasing, not lessening. There are signs of their increasing, and not of their lessening."

"Kassapa, these seven factors for Awakening rightly taught by me, when developed and pursued, lead to direct knowledge, to self-Awakening, to Unbinding. Which seven?

"Mindfulness as a factor for Awakening rightly taught by me, when developed and pursued, leads to direct knowledge, to self-Awakening, to Unbinding.

"Analysis of qualities as a factor for Awakening, rightly taught by me, when developed and pursued, leads to direct knowledge, to self-Awakening, to Unbinding.

"Persistence as a factor for Awakening...

"Rapture as a factor for Awakening...

"Serenity as a factor for Awakening...

"Concentration as a factor for Awakening...

"Equanimity as a factor for Awakening rightly taught by me, when developed and pursued, leads to direct knowledge, to self-Awakening, to Unbinding.

"Kassapa, these are the seven factors for Awakening rightly taught by me that — when developed and pursued — lead to direct knowledge, to self-Awakening, to Unbinding."

"They are indeed factors for Awakening, O Blessed One. They are indeed factors for Awakening, O One Well-Gone."

That is what the Blessed One said. Gratified, Ven. Maha Kassapa delighted in the Blessed One's words. And Ven. Maha Kassapa recovered from his disease. That was how Ven. Maha Kassapa's disease was abandoned.
