The Compendium

The Monks' Analysis

Part two

The number of originations of each offense

When it comes to the offenses that are a result of having sexual intercourse, through how many of the six kinds of originations of offenses do they originate? They originate in one way: from body and mind, not from speech. …

When it comes to the offense that is a result of, out of disrespect, defecating, urinating, or spitting in water, through how many of the six kinds of originations of offenses does it originate? It originates in one way: from body and mind, not from speech.

The number of originations of each offense, the fifth, are finished.
