The Compendium

The origination of offenses

1. The offenses entailing expulsion

There are offenses that are committed unintentionally, but cleared intentionally. There are offenses that are committed intentionally, but cleared unintentionally. There are offenses that are committed unintentionally and cleared unintentionally. There are offenses that are committed intentionally and cleared intentionally.

There are offenses that are committed with a wholesome mind and cleared with a wholesome mind. There are offenses that are committed with a wholesome mind, but cleared with an unwholesome mind. There are offenses that are committed with a wholesome mind, but cleared with an indeterminate mind.

There are offenses that are committed with an unwholesome mind, but cleared with a wholesome mind. There are offenses that are committed with an unwholesome mind and cleared with an unwholesome mind. There are offenses that are committed with an unwholesome mind, but cleared with an indeterminate mind.

There are offenses that are committed with an indeterminate mind, but cleared with a wholesome mind. There are offenses that are committed with an indeterminate mind, but cleared with an unwholesome mind. There are offenses that are committed with an indeterminate mind and cleared with an indeterminate mind.

How many originations does the first offense entailing expulsion have? It has one: body and mind, not speech.

How many originations does the second offense entailing expulsion have? It has three: body and mind, not speech; or speech and mind, not body; or body, speech, and mind.

How many originations does the third offense entailing expulsion have? It has three: body and mind, not speech; or speech and mind, not body; or body, speech, and mind.

How many originations does the fourth offense entailing expulsion have? It has three: body and mind, not speech; or speech and mind, not body; or body, speech, and mind.

The four offenses entailing expulsion are finished.

The originations are finished.

This is the summary:

“Unintentionally, and wholesome,

And originations in every way;

By the method that accords with the Teaching,

You should know origination.”
