Part two

The number of originations of each offense

When it comes to the offenses that are a result of consenting to physical contact, through how many of the six kinds of originations of offenses do they originate? They originate in one way: from body and mind, not from speech. …

When it comes to the offenses that are a result of asking for curd and then eating it, through how many of the six kinds of originations of offenses do they originate? They originate in four ways: from body, not from speech or mind; or from body and speech, not from mind; or from body and mind, not from speech; or from body, speech, and mind.

The number of originations of each offense, the fifth, are finished.
